

Waterfront Park at the Hughes Property

COMMUNITY MEETING

Wednesday, March 29, 2017 6:00-8:00 p.m.

SeaTac City Hall, Council Chambers, 4800 S. 188th St., SeaTac

A new 2 acre waterfront park will be constructed at the Hughes Property site and we would like to update the community on this project. John Barker Landscape Architects has developed a design for the park and we will share it with you. The park will improve public access and provide opportunities to walk and enjoy the beautiful shoreline setting. An eight foot wide trail will provide a connection from Angle Lake Park to the new waterfront park.

Meeting Objectives

- Give the community an opportunity to see the planned design.
- Allow the community to learn more about the project.
